Summary

(E) Designations are the approximate location, represented by a point of the tax lot centroid, on property that may be affected by noise or air quality, or hazardous material contamination.

Description

(E) Designations are established to provide notice of the presence of an environmental requirement pertaining to potential hazardous materials contamination, high ambient noise levels or air emission concerns on a particular tax lot. This includes CEQR Environment Requirements (Table 1) and CEQR Restrictive Declarations (Table 2), in Appendix C of the Zoning Resolution.
