Description
New York State Senate district boundaries for New York City clipped to the shoreline. These district boundaries represent the redistricting as of the US Census 2020.

The 22A2 release contains new geographies representing the post-redistricting political boundary changes implemented by the NYC Board of Elections after approval of new redistricting maps by the New York Court of Appeals on May 20, 2022. The voided boundaries are available in the BYTES archive as version 22A1 and the previous boundaries, from the 2012 redistricting, as version 22A. Note that the 22A1 election districts remain in effect for the June 28, 2022 primary.

The 22A1 voided boundaries and the 22A Pre-Redistricting political boundaries can be downloaded from the Archive page.
