

Atlantic Avenue Corridor Public Kickoff Meeting Community Board 8 Presentation June 24th, 2014

DCP Transportation Planning Division
DCP Brooklyn Office

Why are we here?

- We are starting a Transportation Study of Atlantic Avenue
 - From Vanderbilt Avenue to Ralph Avenue

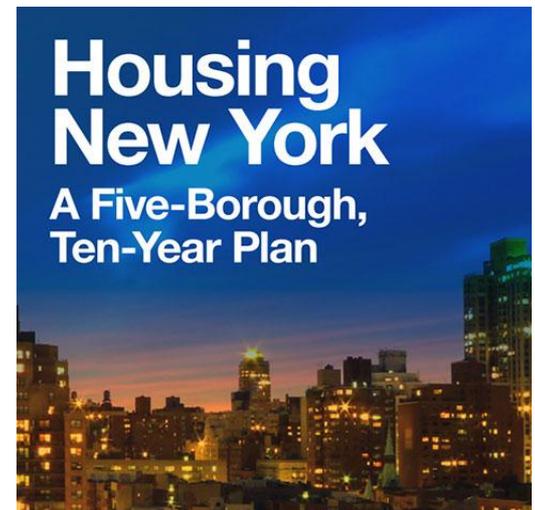

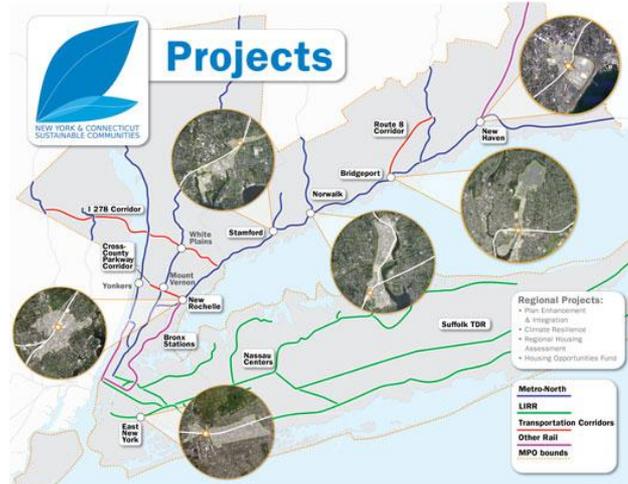

Why are we here?

- **We're here to explore solutions to ongoing transportation issues in the community.**
- We want to improve safety and livability as part of Mayor De Blasio's Vision Zero
- We are looking at ways to make Atlantic Avenue a more pedestrian friendly street

What other projects are we doing in your area?

- NYCDOT East New York Transportation Study
- DCP Sustainable Communities Study in ENY
- Mayor De Blasio's Affordable Housing Plan
 - Mentions Atlantic Avenue as a major boulevard with public transit.

How can you help your community?

Let's split up and brainstorm!

- What are your **top concerns** on the avenue?
- What do you want to be **fixed** here?
- How can we make it more **welcoming** and **safer** to cross?
- What do you **envision** for a more pedestrian friendly neighborhood?
- Who can we contact for potential **partnerships**?

NEXT STEPS:

- E-mail us your comments
- Continue researching and reaching out to local experts
