### Neighborhood Strategies

#### Reachwide

- Implement creation of Putnam Greenway along existing rail right-of-way and identify opportunities to create continuous connections from Westchester County to Port Morris.

#### Hudson River Waterfront

1. Support the study and the implementation of Hudson River Greenway Link providing bicycle and pedestrian connectivity from Manhattan to Yonkers with access to the waterfront.
2. Work with NY Central Railroad to provide safe access to Hudson River shoreline.
3. Mitigate stormwater eroding Riverdale Park slopes.
4. Develop long-term sediment removal maintenance plan with DEP Bluebelt program.

#### South of University Heights Bridge

4.b. Study redevelopment potential for residential or parkland to connect to Roberto Clemente State Park to the south and the Regatta Park to the north.
5. Explore opportunities for boat launch based on the criteria described in the Citywide Strategy.

#### Depot Place / Harlem River Promenade

5. Improve access to waterfront by creating upland connections with appropriate crossings.
6. Explore public recreational opportunities on City-owned site and on privately owned site.
7. Restore the shoreline from the Highbridge to Roberto Clemente State Park.

#### Highbridge

5.a. Develop access point to Manhattan through rehab of the Highbridge.

#### Ped. Bridge over Major Deegan at 161st St.

6. Improve connectivity to Mill Pond Park over the Major Deegan pedestrian bridge by removing barriers impeding pedestrian crossing.

#### Harlem River

4.a. Explore opportunities to reduce wave action to promote recreational boating and limit shoreline erosion.
5. Identify locations to develop pedestrian upland connections to the waterfront.
6. Identify an appropriate location for an environmental education center along the Harlem River.
