Metadata for Historical Zoning Maps:

**Source:**
These PDF maps were created from the set of past versions of each of the 126 zoning maps in the Technical Review Division’s archive. This set includes map versions for each zoning map beginning with the original 1961 issue of the Zoning Resolution and ending with the current zoning map as posted in the Zoning section of the Department of City Planning website: [www.nyc.gov/planning](http://www.nyc.gov/planning).

**Scanning and Creation of Adobe PDF copies:**
Maps in this archive from 1961 through Update #2 of the Zoning Resolution in 2003 are scans of actual printed zoning map. From Update #3 (2005) onwards, maps are direct PDF copies of the map revisions as printed in updates to the Zoning Resolution.

**Notes on conversion of Amendment Numbers to CP (City Planning) or ULURP numbers:**
On earlier zoning maps, an Amendment Number (e.g. A-629) is used to identify the area that has been rezoned. Commission reports and sketch maps for rezonings are referenced solely by CP or ULURP numbers. In order to request copies of reports or sketch maps it is necessary to know the CP or ULURP number. A conversion table (ANumber-CPNumberOfConversion.pdf) is available to translate the “A” numbers listed on the actual zoning maps to their corresponding CP or ULURP numbers. Use of the Amendment Number to identify zoning map changes has been discontinued.
