A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable district regulations.

If a certification pursuant to this Section is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30 shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts when a change of #use# of a #FRESH food store# for which a certification has been issued, pursuant to Section 63-30, would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in a reduction in the number of required #accessory# off-street parking spaces under the applicable district regulations, provided that such #use# is permitted by the underlying districts.

that:

(a) due to the market conditions prevalent at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store# will bring a reasonable return;

(b) the applicant, the operator or a prior operator of such #FRESH food store# has not created or contributed to such unfavorable market conditions;

(c) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the Commission that such efforts have been unsuccessful;

(d) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses#, including #uses# within the #building#; and

(e) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

If such authorization is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30, shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

In issuing an authorization under this Section, the Commission may impose conditions and safeguards to minimize adverse impacts on the character of the surrounding area.

Failure to comply with a condition or restriction in an authorization or certification granted pursuant to this Chapter or with approved plans related thereto, or failure to submit a required compliance report, shall constitute a violation of this Resolution and may constitute the basis for denial or revocation of a building permit or certificate of occupancy, or for a revocation of such authorization or certification, and for the implementation of all other applicable remedies.
