Article IX - Special Purpose Districts

Chapter 6

Special Clinton District

(1/19/05)

96-00

GENERAL PURPOSES

The "Special Clinton District" (hereinafter also referred to as the "Special District"), established in this Resolution, is designed to promote and protect public health, safety, general welfare and amenity. Because of the unique geographical location of the Clinton community, situated between the waterfront on the west and a growing central business district on the east, it is necessary to provide specific programs and regulations which will assure realization of community and city-wide goals.

These goals include, among others, the following:

- (a) to preserve and strengthen the residential character of the community;
- (b) to permit rehabilitation and new construction within the area in character with the existing scale of the community and at rental levels which will not substantially alter the mixture of income groups currently residing in the area;
- (c) to preserve the small-scale character and variety of existing stores and activities and to control new commercial uses in conformity with the existing character of the area;
- (d) to recognize the unique character of the eastern edge of the District as an integral part of the Theater Subdistrict within the Special Midtown District as well as the Special Clinton District;
- (e) to provide an appropriate transition from the mixed-use character along Eighth Avenue to the lower-scale residential character of the Clinton community on the narrow streets;
- (f) to relate the unique character of the 42nd Street Perimeter

Area to the adjacent Special Hudson Yards District;

- (g) to provide amenities, such as street trees, to improve the physical environment;
- (h) to restrict demolition of buildings that are suitable for rehabilitation and continued residential use; and
- (i) to promote the most desirable use of land in the area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues, consistent with the foregoing purposes.

- (d) any other conduct which prevents or is intended to prevent any person from the lawful occupancy of such #dwelling unit# or #rooming unit# or causes or is intended to cause such person lawfully entitled to occupancy of such #dwelling unit# or #rooming unit# to vacate such #dwelling unit# or #rooming unit# or to surrender or waive any rights in relation to such occupancy including, but not limited to, removing the possessions of any occupant from the #dwelling unit# or #rooming unit#; removing the door at the entrance to the #dwelling unit# or #rooming unit#; removing, plugging or otherwise rendering the lock on such entrance door inoperable; or changing the lock on such entrance door without supplying the occupant with a key.

For purposes of this definition, #dwelling unit#, #referral date# and #rooming unit# shall be defined as in Section 96-110.

Material alteration

#rooming units#, or adds or removes kitchens or bathrooms; provided, however, that #material alteration# shall not include:

For purposes of this definition, #dwelling unit# and #rooming unit# shall be defined as in Section 96-110.

96-03

District Map

The District Map for the #Special Clinton District# (Appendix A) identifies specific areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Clinton District#. These areas and the sections of this Chapter which contain regulations pertaining thereto are as follows:

Area A - PRESERVATION AREA, Section 96-10

Area B - PERIMETER AREA, Section 96-20

Area C - OTHER AREAS, Section 96-30

(2/2/11)

96-10

PRESERVATION AREA

The provision of this Section shall apply to all #developments#, #enlargements#, #extensions# or alterations. All existing #buildings# within the Preservation Area shall be considered complying #buildings# for all purposes including, but not limited to, alterations, #enlargements#, #extensions# or #conversions# to #residential uses#. Any existing #building# which is damaged or destroyed by any means may be reconstructed to its #bulk# prior to such damage or destruction. All existing legal #uses# in enclosed #buildings# shall be considered conforming #uses#. Except as otherwise provided in this Chapter, any existing #commercial# or #manufacturing uses# may be changed, subject to

the applicable underlying district regulations, pursuant to the change of #non-conforming use# provisions of Sections 52-31, 52-33, 52-34, 52-35 and 52-36.

(2/2/11)

96-101

Floor area regulations

For any #zoning lot# within the Preservation Area, the #floor area ratio# for a #residential#, #commercial# or #community facility building#, or portions of a #mixed building# containing such #uses#, shall not exceed the following:

#Uses#	#Floor Area Ratio#
#Residential buildings# or #community facility buildings# or portions of #mixed buildings# containing #residential# or #community facility uses# in the following Districts:	
R8 C1-5 C2-5 C6-2	4.2
#Commercial buildings# or #commercial# portion of #mixed buildings# in the following Districts:	
C1-5 C2-5	2.0
C6-2*	4.2

* In C6-2 Districts, for #zoning lots#, or portions thereof, comprised of listed theaters designated in Section 81-742 of the #Special Midtown District#, the City Planning Commission shall allow a transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). The basic maximum #floor area ratio# for transfer purposes for such #zoning lots#, or portions thereof, shall be 6.02.

The maximum #floor area# in a #mixed building# shall be the maximum #floor area# permitted for either the #commercial# portion of such #building# or the #community facility# portion of such #building# or the #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

(3/22/16)

96-102

Lot coverage regulations

Within the Preservation Area, the #open space# requirement of Article II, Chapter 3, and the #lot coverage# provisions of Section 24-11, are not applicable. The #lot coverage# provisions of this Section apply in lieu thereof. In C6-2 Districts, for the purposes of determining #lot coverage#, any part of a #building# that is listed as a permitted obstruction in #open space# or in a #rear yard# shall not be included in #lot coverage#. For #zoning lots#, or portions thereof, located within 100 feet of the #street line# of a #wide street#, the maximum #lot coverage# shall not exceed 70 percent. For all #zoning lots#, or portions thereof, located more than 100 feet from the #street line# of a #wide street#, the maximum #lot coverage# shall not exceed 60 percent.

Any #development# containing #residential uses# shall provide a minimum of 20 percent of the #lot area# of a #zoning lot# as usable, landscaped open area for occupants of #dwelling units# in the #development#.

(4/30/08)

96-103

Yard regulations

The #yard# regulations of this Section apply to any #development# or #enlargement#.

For #zoning lots#, or portions thereof, located within 100 feet of the #street line# of a #wide street#, no #rear yard# shall be required.

For all #zoning lots#, or portions thereof, located more than 100 feet from the #street line# of a #wide street#, a #rear yard# having a minimum depth of 30 feet shall be required.

On a #through lot#, or portion thereof, more than 100 feet from the #street line# of a #wide street#, the #rear yard equivalent#

provisions of Section 23-532, paragraph (a), shall apply.

(6/14/11)

96-104

Height and setback regulations

The underlying height and setback regulations shall not apply, except as set forth in Sections 23-62 or 33-42 (Permitted Obstructions), as applicable. In lieu thereof, the height and setback provisions of this Section shall apply. All height shall be measured from #curb level#.

(a) #Street wall# location

For #zoning lots# with #wide street# frontage, #street walls# shall be located on the #wide street line# and extend along the entire #wide street# frontage of the #zoning lot#. For #corner lots# with #narrow street# frontage, #street walls# shall be located on and extend along the #narrow street line# within 50 feet of the #wide street#.

For #zoning lots# with #narrow street# frontage, #street walls# shall be located on the #street line# and extend along the entire #narrow street# frontage of the #zoning lot# beyond 50 feet of a #wide street#. However, where the #street wall# of an adjacent #building# fronting on the same #narrow street line# is located within 10 feet of the #street line#, the #street wall# of the #building# may be aligned with the #street wall# of the adjacent #building# for a distance of not less than 20 feet measured horizontally from the side wall of such #building#. The portion of a #zoning lot# that is located between a #street wall# and the #street line#, pursuant to the optional #street wall# location provisions of this paragraph (a), shall be maintained at the same elevation as the adjoining sidewalk. In addition, such portion of a #zoning lot# shall be planted, except at the entrances to and exits from the #building#, or adjacent to #commercial uses# fronting on the #street#.

(b) Permitted recesses

Ground floor recesses up to three feet deep shall be permitted for access to #building# entrances. Above a height

of 12 feet, up to 30 percent of the #aggregate width of street walls# may be recessed, provided no such recesses are within 30 feet of the intersection of two #street lines#.

(c) #Building# height

Within 100 feet of a #wide street#, the #street wall# of a #building or other structure# shall rise without setback to a minimum height of 50 feet or the height of the #building#, whichever is less, and a maximum height of 66 feet. A setback shall be provided for all portions of #buildings# that exceed a height of 66 feet. Such setbacks shall be provided at a height not lower than 50 feet and not higher than 66 feet, and shall have a minimum depth of 10 feet, measured from any #street wall# facing a #wide street#, and a minimum depth of 15 feet, measured from any #street wall# facing a #narrow street#. No #building or other structure# shall exceed a height of 85 feet. Beyond 100 feet of a #wide street#, no #building or other structure# shall exceed a height of seven #stories# or 66 feet, whichever is less.

However, the City Planning Commission, by special permit, may modify the special height and setback regulations set forth in this Section. In order to grant such special permit, the Commission shall find that the distribution of #bulk# permits adequate access of light and air to surrounding #streets# and properties and that the maximum height does not exceed 99 feet beyond 100 feet of a #wide street#, and 115 feet within 100 feet of a #wide street#.

The Commission may prescribe appropriate conditions and safeguards to protect and minimize any adverse effects on the character of the surrounding area.

(3/22/16)

96-105

Dwelling unit regulations

(a) #Dwelling unit# distribution

For #developments#, #enlargements#, #extensions# or #conversions# of an existing #building# to a #residential use#, the density requirements of the underlying districts shall be inapplicable. In lieu thereof, the required #lot

area per dwelling unit# of a #development#, #enlargement#, #extension# or #conversion# of an existing #building# to a #residential use# shall not be less than 168 square feet and the number of two-bedroom units on a #zoning lot# shall not be less than 20 percent.

In addition, the minimum density requirement and the 20 percent, two-bedroom unit requirement set forth in this Section shall apply to any alteration that creates additional #dwelling units# or additional zero-bedroom units. Alterations that reduce the percentage of apartments that contain two bedrooms are not permitted unless the resulting #building# meets the 20 percent, two-bedroom requirement.

However, notwithstanding any provision to the contrary contained in this Section, the minimum density requirement and the 20 percent, two-bedroom unit requirement shall not apply to alterations which add a code-complying bathroom, pursuant to Section 27-2063 of the Housing Maintenance Code of the City of New York, to a #dwelling unit# which is publicly assisted (exclusive of any tax abatement or tax exemption program), and which is administered by a not-for-profit agent.

The City Planning Commission, by special permit, may modify the two-bedroom unit distribution requirement and the density requirement of this Section for an #affordable independent residence for seniors# or for a #residence# substantially for elderly persons with disabilities, under jurisdiction of a State or City agency, provided that the following findings are made:

- (1) that such #residences# are sponsored by a voluntary non-profit organization;
- (2) that the location and size of such facility does not create an undue concentration of #dwelling units# of this type and #community facilities# with sleeping accommodations within the immediate area;
- (3) that there are social service, health and related programs for the residents including a maintenance and security plan;
- (4) that on-site recreation areas for the use of the residents are provided; and

- (5) that the proposed #residences# will not overburden existing public services in the neighborhood.

The Commission may prescribe appropriate conditions or safeguards to minimize the adverse effect of any #use# permitted under this Section on the residential character of the surrounding area.

- (b) Special provisions for owner-occupied #buildings# containing #residences#

For alterations of #buildings# containing #residences#, which #buildings# are owner-occupied and which contain four or fewer #dwelling units#, the #dwelling unit# distribution provisions of this Section shall not apply.

(11/21/74)

96-106

Special regulations for existing storefronts

Any vacant ground floor store in an underlying #Residence District# may change to a conforming #use# or to a #use# listed in Use Group 6 regardless of the two-year discontinuance provisions of Section 52-61.

(3/22/16)

96-107

Special regulations for community facility uses

#Developments#, #enlargements# or #extensions# of #community facility uses# or #conversions# of an existing #building# to a #community facility use#, are permitted on #zoning lots# containing existing #buildings# with #residential uses# only pursuant to the provisions of this Section. The City Planning Commission, by special permit, may permit #developments#, #enlargements# or #extensions# of #community facility uses#, provided that the Commission makes the following findings:

- (a) that the existing #building# is not eligible for rehabilitation under any active publicly aided program under

which funds are available;

- (b) that, prior to evicting or otherwise terminating the occupancy of any tenant preparatory to demolition, the developer shall have notified the Department of Housing Preservation and Development of his or her intention to demolish the #building#; and
- (c) that the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section 96-110.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

(2/2/11)

96-108

Demolition of buildings

No demolition permit or alteration permit for partial demolition involving a decrease of more than 20 percent in the amount of #residential floor area# in a #building# shall be issued by the Department of Buildings for any #building# containing #dwelling units# within the Preservation Area, unless it is an unsafe #building# and demolition is required pursuant to the provisions of Title 28, Chapter 2, Article 216 of the New York City Administrative Code.

However, the City Planning Commission, by a special permit, may allow demolition of #buildings# containing #dwelling units# or #rooming units# other than unsafe #buildings# within the Preservation Area, provided that the Commission makes the following findings:

- (a) that the existing #building#:
 - (1) is not eligible for rehabilitation under any active publicly-aided program under which funds are available; or
 - (2) is to be substantially preserved and requires an alteration permit to allow the removal and replacement of 20 percent or more of the #floor area#.

- (b) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to demolition, the owner shall have notified the applicable governmental agency of its intention to demolish the #building#.
- (c) that the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section 96-110; and
- (d) that an acceptable program for #development# of the #zoning lot# is submitted to the Commission which indicates that to the extent permitted by the provisions of Section 96-10 (PRESERVATION AREA), the number of new #dwelling units# to be constructed is at least equal to the number of #dwelling units# to be demolished and that the #floor area# of the #development# containing #residences# is at least equal to the #floor area# of the #dwelling units# to be demolished and that site development will commence within a period of twelve months from completion of relocation.

The Commission may prescribe appropriate conditions and safeguards to ensure that any interim #use# proposed on the site prior to any construction is in conformance with the purposes of this Special District.

(12/21/05)

96-109

Alterations of buildings

Prior to the issuance of an alteration permit by the Department of Buildings for a #material alteration# of a #multiple dwelling# within the Preservation Area, the Department of Housing Preservation and Development shall certify to the Department of Buildings that:

- (a) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration, the owner shall have notified the Commissioner of his or her intention to alter the #building#; and
- (b) the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section 96-110.

However, a permit for alterations may be exempted from the provisions of this Section by written determination of the Department of Housing Preservation and Development that such alterations are to be performed solely for the purpose of either:

- (1) making the public areas of a #multiple dwelling# accessible to persons with disabilities without altering the configuration of any #dwelling unit# or #rooming unit#; or
- (2) making a #dwelling unit# or a #rooming unit# accessible to persons with disabilities.

For the purposes of this Section, #dwelling unit# and #rooming unit# shall be defined as in Section 96-110.

(3/22/16)

96-110

- (vii) is perpetual in duration.

(12) Rooming unit

#Rooming unit# shall have the meaning set forth in the Housing Maintenance Code.

(b) Permit Process

- (1) Unless the Department of Housing Preservation and Development has issued a #certification of no harassment# pursuant to paragraph (c) of this Section or has certified compliance with the cure provisions of paragraph (d) of this Section, no permit may be issued by the Department of Buildings pursuant to Sections 96-109 or 96-24, and no special permit may be granted by the City Planning Commission pursuant to Sections 96-107 or 96-108.
- (2) The following structures shall be exempt from the provisions of this Section:

- (c) Certification of No Harassment
- (1) The Department of Housing Preservation and Development shall determine and certify whether there has been #harassment# of the lawful occupants of a #multiple dwelling# during the #inquiry period#.
 - (2) There shall be a rebuttable presumption that #harassment# occurring within the #inquiry period# was committed by or on behalf of the owner of such #multiple dwelling# and that such #harassment#:
 - (i) was committed with the intent to cause a person lawfully entitled to occupancy of a #dwelling unit# or #rooming unit# in such #multiple dwelling# to vacate such unit or to surrender or waive a right in relation to such occupancy; and
 - (ii) materially advanced the demolition or alteration in furtherance of which the permit and #certification of no harassment# are sought.
 - (3) The Department of Housing Preservation and Development may promulgate rules regarding the implementation of this Section. Such rules may include, but shall not be limited to, provisions which:
 - (i) establish the information to be required in an application for #certification of no harassment#, the form of such application, and the manner of

filing of such application;

- (ii) establish reasonable fees and charges to be collected from applicants for the administrative expenses incurred by the Department of Housing Preservation and Development including, but not limited to, costs for publication of any notices;
 - (iii) establish the duration for which a #certification of no harassment# will remain effective; and
 - (iv) authorize the rescission of a #certification of no harassment# if the Department of Housing Preservation and Development finds either that #harassment# has occurred after the #inquiry period# or that the application for such #certification of no harassment# contained a material misstatement of fact. Following such rescission, the Department of Buildings may revoke any permit for which such #certification of no harassment# was required.
- (4) The Department of Housing Preservation and Development may refuse to accept, or to act upon, an application for a #certification of no harassment# where the Department of Housing Preservation and Development finds that:
- (i) taxes, water and sewer charges, emergency repair program charges, or other municipal charges remain unpaid with respect to such #multiple dwelling#;
 - (ii) such #multiple dwelling# has been altered either without proper permits from the Department of Buildings or in a way that conflicts with the certificate of occupancy for such #multiple dwelling# (or, where there is no certificate of occupancy, any record of the Department of Housing Preservation and Development indicating the lawful configuration of such #multiple dwelling#) and such unlawful alteration remains uncorrected; or
 - (iii) the Department of Housing Preservation and Development has previously denied an application for a #certification of no harassment# pursuant

to this Section.

- (5) If the Department of Housing Preservation and Development determines that an application for a #certification of no harassment# contains a material misstatement of fact, the Department of Housing Preservation and Development may reject such application and bar the submission of a new application with respect to such #multiple dwelling# for a period not to exceed three years.
- (6) Before determining whether there is reasonable cause to believe that #harassment# has occurred with respect to any #multiple dwelling#, the Department of Housing Preservation and Development shall publish a notice in such form and manner as shall be specified in the rules promulgated pursuant to paragraph (c)(3) of this Section. Such notice shall seek public comment regarding whether there has been #harassment# of the lawful occupants of such #multiple dwelling# from the #referral date# to the date of submission of comments. Such report shall describe the condition of the performance space and identify any maintenance or repair work necessary to ensure the physical and operational soundness of the performance space and establish a plan and program for such work, including providing that adequate resources be made available to ensure timely completion of such maintenance or repair work; and

Notwithstanding the foregoing, the Chairperson of the City Planning Commission may accept a declaration of restrictions or in the case of a certification issued by the Chairperson prior to January 28, 2009, a modified declaration of restrictions, which shall allow the owner to apply for and accept, and the Department of Buildings to issue, temporary and permanent certificates of occupancy for the portion of the #development# or #enlargement# which utilizes the increased #floor area# permitted pursuant to this Section prior to substantial or final completion of the performance space, as the case may be, provided that, under the terms of such declaration of restrictions or modified declaration of restrictions, the owner shall not apply for or accept temporary certificates of occupancy for any such portion of the #development# or #enlargement# unless and until the Commissioner of the Department of Cultural Affairs has certified that the core and shell of the performance space has been completed in accordance with a core and shell agreement accepted by the

Commissioner, and that ownership of the performance space has been transferred to the prospective operator.

In the event of a transfer of ownership of the performance space, certification pursuant to paragraph (c)(1) of this Section, shall not require the provision of the signed lease or written commitment described therein, and the operating plan and program for the performance space shall be provided by the prospective owner.

Any application for certification of a #floor area# bonus for theater #use#, pursuant to this Section, shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. For the purposes of this paragraph (a)(2), #low income floor area# may be considered #moderate income floor area# or #middle income floor area#, and #moderate

income floor area# may be considered #middle income floor area#.

- (1) such modification of height and setback regulations will:
 - (i) result in a #building# that has a maximum #building# height of 155 feet;
 - (ii) result in a better distribution of #bulk# on the #zoning lot#; and
 - (iii) permit adequate access of light and air to surrounding #streets# and adjacent properties;
- (2) such modification of planting requirements will facilitate access to Department of Transportation bridge structures, and the area between the #street wall# and #street line# of the #buildings# shall be improved with moveable planters; and

The Commission may permit #transient hotels#, resulting from a #development#, #enlargement#, #extension# or change of #use#, provided that the Commission shall find that such #transient hotel# is so located as not to impair the essential character of, or the future use or development of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

(1/19/05)

96-52

Bulk Modifications for Public Parking Garages

Except within the Eighth Avenue Perimeter Area set forth in Section 96-22 (Special Regulations for Eighth Avenue Perimeter Area), in all other C6 Districts, the City Planning Commission, by special permit, may permit, for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications, the Commission shall make the following findings:

- (a) that, because of site limitations, such modifications are necessary for the proper design and operation of the #public parking garage#; and
- (b) that, such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.

(2/2/11)

96-53

Conversions to Residential Use

There shall be at least 30 square feet of social or recreational space for each #dwelling unit# or a total area of at least 5,000 square feet, whichever is greater. Such space may be located outdoors at grade level or at any floor level including roof areas. The maximum number of #dwelling units# shall be determined in accordance with the provisions of Section 15-111 (Number of permitted dwelling units). The Commission may prescribe conditions and safeguards to minimize possible adverse effects on adjoining properties.

As a condition of approval, the Commission shall find:

- (a) that because of site and building limitations, such modifications are necessary for the proper design and functioning of the #converted building#;
- (b) that such modifications will result in adequate access of light and air to the newly created #dwelling units# and to surrounding development;
- (c) that the social or recreational space contains adequate facilities to serve the needs of the residents and wherever possible the surrounding community;
- (d) that there is suitable separation between #dwelling units# and floor space occupied by non-#residential# or #accessory uses#; and
- (e) that such #conversion# will not unduly increase the density of population or intensity of #use# to the detriment of the occupants of #buildings# in the #block# or nearby #blocks#.

The Commission may prescribe conditions and safeguards to minimize possible adverse effects on adjoining properties and may require a program for operation and maintenance of recreational spaces.
