NYPD Halloween Safety

- ☠ Go trick or treating with friends.
- ☠ Children should be cautioned to avoid strangers or enter a strangers home.
- ☠ An adult should always examine Halloween treats before children eat them.
- ☠ Never eat unwrapped candy or treats.
- ☠ If you are going out after dark, wear light colored clothing or carry a flashlight.
- ☠ Go trick or treating in your neighborhood, don't wander too far from home.
- ☠ Walk on the sidewalk.
- ☠ Children's ability to see, hear and move should not be impaired by costume.
- ☠ Remind older children; If trick or treating with younger brothers or sisters stay with them. Help them cross the streets and remember always cross at the corner and for the light .

Fallen Tree or Branch Removal Request

The City removes street trees and large branches that have fallen to the ground in front of houses, in parks, and in other public spaces. The City also removes trees or branches that are blocking sidewalks or streets, as well as branches that are cracked or hanging and about to fall. Removal may be delayed during a storm if the branches are not blocking streets or sidewalks.

Trees along streets in front of houses will be investigated and, if necessary, removed. The City also removes dead trees from parks and other public spaces.

The City is not responsible for:

- (1) Any non-City tree that falls on private property,
- (2) Any small non-City tree branch that falls on private property and
- (3) Any tree that is on private property.

Property owners must consult with a private landscape contractor to arrange for the removal of non-City trees or tree branches. Landscape contractors are listed in the yellow pages.

Property owners are responsible for knowing whether a tree is on their property or on the City's property. Trees can appear to be growing on your property but actually be on City property. Reference your title survey to verify property lines before removing a tree or conducting any tree work on or around trees in your front yard.
