Dear friends/residents

We hope to improve our new website over the next few months. We encourage those groups/persons to submit dates of community events so we can form a useful community calendar. Our last monthly meeting will be June 14 @ 7:15 pm at the Knights of Columbus hall. The board will meet again on September 13th. At 7:15 pm. It is likely that we will have a few committee meetings over the summer so check our site for meeting updates/notices. While the Community Board does not meet over July /August the District office is open Mon- Fri 9am-5 pm to serve the community. We wish everyone a safe and enjoyable summer !!

Mosquitoes- We encourage residents to call the Community board if they see dump outs of tires and other debris that can hold water.

Even a paper cup with water in it can be a good environment to breed mosquitoes. Let us know or if you can you clean up small amounts of garbage. Every little bit helps.

Unsafe/Illegal construction – If you think a home in your neighborhood has been illegally converted to a multi-family home or work has been done illegally call the community board and we will request an inspection by the NYC Buildings Department- We just need an accurate address for complaint. You can always call 311 when our offices are closed. Keep the complaint # that 311 assigns to your complaint for future reference
