Dear Friends,

We hope everyone had a good Thanksgiving. As we enter the Holiday season we would like to remind everyone to give to those who are in need. We would also like to remind those who drive that wet leaves are as slippery as ice and to give yourself plenty of extra space to stop your vehicle.

When it snow's NYC code requires you to shovel the sidewalk in front or around your property within 4 hours of the snow stopping or by 11:00am if the snow stopped falling after 9 PM

Unsafe/Illegal construction – If you think a home in your neighborhood has been illegally converted to a multi-family home or work has been done illegally call the community board and we will request an inspection by the NYC Buildings Department- after 5pm or weekends call 311

The Downtown Far Rockaway Plan has been released. A number of ULURP/Zoning issues will be considered by the Community board the board would like to hear from the residents and communities that surround the Far Rockaway/Mott ave shopping area. The Board is forming an Ad Hoc committee to work with these communities to improve what is a wonderful start for the revitalization of Downtown Far Rockaway. Whatever the final plan is will remain for decades to come.
