Community Impacts and Mitigation

- A modified Negative Declaration issued in 2020
 - No potential significant adverse effects on the quality of the environment were identified
 - No potential significant adverse impact on land use, zoning and public policy, open space, historical resources, natural resources, or other categories would occur because of the project
- Noise mitigation measures, as per NYC Noise Code Regulations
- Vibration monitoring

Community Impacts and Mitigation

- Maintenance and Protection of Traffic (MPT) Plans will be developed for construction workers' and the general public's safety
 - MPT Plans include work zone, temporary traffic flow direction, flagger, and temporary signs at site
 - Will maintain at least one travel lane in each direction on Borden Avenue
 - No closure of the roadway is expected for this work
 - Will maintain pedestrian landings and/or pedestrian paths to provide access to sidewalks and/or crosswalks near the site
- Anticipated construction work hours 7:00 AM – 3:00 PM (except for holidays) Monday - Friday
