RE: Letter of Support – Bissville Triangle

Dear Commissioner Dockett:

Community Board 2 would like to thank the Parks Department for their informative presentation at the June 23, 2022 Environment and Parks Committee Meeting.

The Blissville Community and Community Board 2 have sought the restoration of the Veterans Memorial at this location for over 10 years. Gratitude was expressed during the presentation to the Parks Department for the Design presented and also acknowledged were the enhancements to this space that will bring much needed green public space to the community whom do not have access to a park within walking distance.

At that meeting with a quorum present a motion was made and seconded to send this letter of support for the Blissville Triangle project. The vote was all in favor with none opposed and no abstentions.

If you have any questions, please contact Community Board 2 at (718) 533-8773.

Sincerely,

Debra Markell Kleinert
District Manager
