Important Notice

New York City Department of Transportation Division of Bridges drain cleaning on the Ed Koch Queensboro Bridge will continue according to the schedule below. As a result of this work, partial single-lane closures in a single direction at a time will take place on weeknights from July 22 to July 26. Manhattan bound partial single-lane closures will occur between the hours of 10:00 p.m. and 5:00 a.m. (ending the following morning), with Queens bound partial single-lane closures occurring between the hours of 11:00 p.m. and 5:30 a.m. (also ending the following morning).

Rolling, partial closures of the pedestrian and bicycle pathway may occur between the hours of 10:00 p.m. and 5:00 a.m. Pedestrians and cyclists are advised to proceed with caution. Cyclists may be required to dismount as they approach the work zone.

Jameson Mitchell from the office of Community Affairs is available to provide information about this project at (212) 839-6307 or jmitchell@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311.
