Rent Stabilized Median Rent Burden, New York City 1970-2017
(Gross Rent as a Share of Household Income)

Other Data - Summary of Special Research from 1989-2000

Along with the large variety of facts and figures provided by those who testify at the Board’s annual meetings and hearings, the Board has requested special reports in a number of areas related to the economic condition of the rental housing industry and to the circumstances faced by rent stabilized tenants. Key findings from these various reports are provided below. The year noted refers to the annual research summary (available at our office) where the full report may be found.
