

NYC Goods and Services Mentorship Program Graduates & Profiles

37 firms have graduated from the New York City Department of Small Business Services' NYC Goods and Services Mentorship Program to date. The majority of these firms are City-certified Minority- and/or Woman-Owned Business Enterprises (M/WBEs).

NYC Goods and Services graduates received extensive business, leadership and project management education, training, and one-on-one mentoring from subject matter experts and business consultants as well as technical assistance towards selling to NYC, to ultimately help them strengthen operations and skills to compete for City contract opportunities and develop a growth plan for their businesses.

NYC Goods & Services Mentorship Training Topics include, among others:

Accounting & Financial Statements	Marketing to NYC	Project Management & Scheduling	Human Resources for Small Businesses
Negotiating Tactics	RFP Walk-Through	Business Planning	Bidding Strategies

We thank the many City agencies and staff that visited the class sessions and provided information on how to do business with their agency, goods & services their agencies procure, and upcoming opportunities.

The trade index of graduates that immediately follows provides links to each firm's M/WBE Online Directory profile, if available. Thereafter is a table profiling each graduate firm, including complete contact information and a brief description of their services and relevant project experience.

Trade Index of Graduate Firms

Selecting the highlighted links below will bring you to each firm's profile in the SBS' [M/WBE Online Directory](#). Complete contact information, a brief business description and project experience are provided for each graduate firm on the profile pages that follow this index. Firms who are not certified, or whose certification may have lapsed, will not appear in the Directory.
