FOR IMMEDIATE RELEASE
Industry Notice #42-12
June 23, 2011

SELECTIVE FOR-HIRE VEHICLE OPERATORS AND COMPLIANCE VEHICLE OPERATORS ARE ADVISED OF THE FOLLOWING NOTICES.

Effective Friday, June 24, 2011, the Department of the City of New York will implement new technologies to improve the monitoring and enforcement of for-hire vehicles.

For-Hire Vehicle Operators:

- All for-hire vehicles will be equipped with electronic logging devices (ELDs).
- ELDs will monitor for-hire vehicle operation hours, including start and stop times, and will be connected to the city’s real-time compliance monitoring system.
- Violations of the hours of service regulations will result in fines and other penalties.

Compliance Vehicle Operators:

- Compliance vehicle operators will be required to maintain accurate records of their operation hours, including start and stop times.
- Violations of the hours of service regulations will result in fines and other penalties.

Pursuant to authority conferred under the Emergency Order signed by Mayor Michael R. Bloomberg, the Department of Transportation and the Taxi and Limousine Commission have jointly implemented these measures.

For more information, please contact the Department of Transportation or the Taxi and Limousine Commission.
