Statement of Basis and Purpose of Proposed Rule

The proposed rule amends the Taxi and Limousine Commission’s For-Hire-Vehicle inspection rules to clarify when a For-Hire-Vehicle is exempt from certain inspection requirements. Under the current rules, a vehicle with fewer than 500 miles traveled must undergo only a visual inspection and not the more stringent inspections set forth in the NYS Vehicle and Traffic Law or other applicable laws and rules. The proposed rule clarifies that this exemption from the more stringent inspections applies to vehicles of any model year that have fewer than 500 miles traveled at the time of inspection. The Commission’s authority for this rules change is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.

It is proposed to amend section 59A-04(e)(6) of Title 35 of the Rules of the City of New York to read as follows:

§59A-04 Licensing – General Requirements

(e) Inspection Required for a New Vehicle License.

***

(6) Nature of the Inspection.

(i) If the vehicle has accumulated fewer than 500 miles traveled at the time the vehicle arrives at the Commission’s facility for inspection, irrespective of the vehicle’s model year, the inspection will be only a visual inspection.

(ii) Unless exempt under (i), if the vehicle is a year 1996 or later model:

A. The vehicle must pass (i) the vehicle inspection requirements set forth in Section 301 of the NYS Vehicle and Traffic Law, (ii) a visual inspection of the interior and exterior of the vehicle to verify compliance with these Rules, and (iii) inspection to verify compliance with any other applicable laws, rules and requirements.

B. The inspection will count as one of the “tri-annual” inspections required by §59A-26 of this Sub-chapter.

(iii) Unless exempt under (i), if the vehicle is a year 1995 or earlier model, or if the vehicle is of any model year and the vehicle’s maximum gross
weight (MGW) as recorded on the registration card, is 8,501 pounds or more:

A. The vehicle must pass (i) the vehicle inspection requirements set forth in Section 301 of the NYS Vehicle and Traffic Law, except that the inspections will not include emissions testing, (ii) a visual inspection of the interior and exterior of the vehicle to verify compliance with these Rules, and (iii) inspection to verify compliance with any other applicable laws, rules and requirements.

B. The inspection will not count as one of the “tri-annual” inspections required by §59A-26 of this Sub-chapter.
