TLC TECHNOLOGY OFFERS AN EASIER WAY TO SUBMIT TRIP RECORDS & GET A RECEIPT

New Affidavit System Avoids the Need for a Notary

The New York City Taxi and Limousine Commission (TLC) would like to remind base operators that the following trip record submission deadlines are approaching:

**Due June 30, 2015**
- Wave 1 and 2 bases: May 2015 trip records
- Wave 3 bases: April and May 2015 trip records

**Due July 31, 2015**
- Wave 1, 2 and 3 bases: June 2015 trip records

**Due August 31, 2015**
- Wave 1, 2 and 3 bases: July 2015 trip records

Please note that monthly submissions will continue to be required in this manner until the TLC notifies you that weekly submissions are required. If you do not know what Wave your base is in, please visit [www.nyc.gov/triprecords](http://www.nyc.gov/triprecords) and find the “List of Wave Assignments.”

In addition, beginning with the June 30 submission, all bases will be required to electronically sign an affidavit stating that they have either:

1) Submitted a true and accurate trip record report; or
2) That the base didn’t dispatch any trips during the reporting period.

**To make trip record submissions as easy as possible for you,** the TLC has created a new “Files Drop” service that is specifically-customized for each base. It will make submitting your records as simple as “1, 2, 3” and will even provide an email receipt of your submission when you are done.

With the Subject: TLC Technology Offers an Easier Way to Submit Trip Records & Get a Receipt

It will contain the link that was specifically-created just for your base, as well as the detailed submission information that you will need.

Please Note: As before, the two submission options that had already been available (SFTP and the Drive Mount options) will remain available for those who still wish to use them.
