

POWER OF ATTORNEY

This form should be used by a vehicle owner, medallion owner, or SHL permit owner, to authorize a representative to perform transactions, on the owner's behalf, with the New York City TLC. The designated representative will have the authority to perform transactions at the TLC, without the owner present at TLC. The owner is still responsible for compliance with all TLC rules.

- Note
- An original Power of Attorney form must be submitted to the TLC each day a representative appears on an owner's behalf. The form is valid for sixty (60) days from the date notarized. If submitted, it will not be returned; subsequent transactions will require a newly executed form. An original form must be submitted; photocopies are not accepted.
 - This form must be signed, dated, and all necessary fields entered, or it will not be accepted. Once signed by an owner / principal, an incomplete form not accepted by TLC cannot be amended without the presence of the owner.
