§54-02 Penalties

- (a) *Unlicensed Activity.*
 - (1) Unlicensed Activity is the act of providing or advertising the provision of any Commission-regulated for hire transportation service by:
 - (i) Any Licensee whose License is suspended, revoked, or expired and not yet renewed, or
 - (ii) Any person who does not hold a Valid License or Authorization from the Commission as a for hire driver, for the for hire vehicle, or for the for hire service, as applicable.
 - (2) Unlicensed Activity specifically includes the activities listed in §19-506 and §19-528 of the Administrative Code, and can subject the violator to the seizure and possible forfeiture of the vehicle involved.
- (b) *Specific Penalties.* If there are specific penalties for violating a Rule, they are shown at the end of the Rule. The penalty section also states whether the violator must attend a Hearing.
- (c) *Payment of Fines.*
 - (1) Fines are due within 30 days of the day the Respondent is found guilty of the violation, unless:
 - (i) the Respondent files an appeal of the decision issued by the Taxi and Limousine Tribunal within the time required by Chapter 5 of Title 48 of the Rules of the City of New York, in which case the payment of the fines will be deferred until 30 days after the date of the appeal decision.
 - (2) If the fine is not paid by the close of business on the date due, the Commission will notify the Respondent in writing that the Respondent's

License will be suspended in 10 business days of the date of the notification until the fine is paid, unless the Respondent demonstrates to the Commission, in person or in writing, that the fine has been paid.

- (d) *Discretionary Penalties.* In the alternative to any of the specific penalties established in this Chapter, the Commission can, in its discretion, impose a penalty of License revocation, License suspension of up to six months, and/or a fine, not to exceed \$1,000 for each violation, against a Licensed Driver. (*See Chapter 68 Adjudications, §68-02*)
- (e) *Mandatory Penalties.* If a Licensee has violated a Rule listed below, or any combination of these Rules, the Taxi and Limousine Tribunal at OATH or, if applicable, the Chairperson will impose the following mandatory penalties and fines.

§54-27 Special Driver Penalty Programs

- (a) *Critical Driver’s Program (“Points” in this Section refers to points assessed by the Department of Motor Vehicles).*

In addition to any other action the Commission might take, the following penalties will be enforced as part of the Commission’s Critical Driver’s Program:

- (1) *License Suspension.* If, within a 15-month period, a Driver accumulates six or more points but fewer than ten points on his or her driver’s license (whether issued by New York or another state), the Commission will suspend the Driver’s Taxicab Driver’s License for 30 days.
- (2) *License Revocation.* If, within a 15-month period, a Driver accumulates 10 or more points on his or her driver’s license (whether issued by New York or another state), the Commission will revoke the Driver’s Taxicab Driver’s License.
- (3) *Review of Driver Fitness.* The Commission can at any time review the fitness of a Driver to continue to be Licensed following any moving violation, accident, or other driving-related incident and can seek to impose other, additional, and/or more severe penalties or take any other action permitted under these Rules.
- (4) *15-Month Period.* When determining whether a suspension or revocation is required based on the accumulation of points in a 15-month period, the Commission will count backwards 15 months from the date of the most recent conviction for the violation carrying points that is cited in the summons under this section.

- (5) *Date of Point Accumulation.* For the purpose of this rule, points assigned by the Department of Motor Vehicles for any violation will be counted as of the date of conviction.
- (6) *Multiple Points from a Single Incident.* For a Driver who has been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for purposes of this section.
- (7) *Point Reduction for Voluntary Course Completion.*
- (i) Before suspending or revoking a Driver's License, the Commission will, for purposes of the Critical Driver's Program, deduct three points from the total points that appear on the Licensee's driving record maintained by the DMV, or equivalent licensing agency of the state which issued such license, of any Licensee who voluntarily attends and satisfactorily completes a Defensive Driving Course. Such point reduction will count only towards points accumulated by the Licensee as a result of the conviction for violations that occurred within 15 months prior to the date of the completion of the course; counting from the date of conviction. In order for the Defensive Driving Course to reduce the Licensee's Critical Driver Program points, the course must be satisfactorily completed prior to the adjudication of the Critical Driver summons. Completion of the Defensive Driving Course after the adjudication of a Critical Driver Program summons will reduce the Licensee's Critical Driver Program points only after the Licensee completes his or her suspension. If the Licensee's driver's license was issued by a state other than New York, the Licensee must submit a recent driving abstract from the state of licensure.
 - (ii) The Driver must furnish the Commission with proof of when the course was taken and that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
 - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
 - (iv) The Commission will not reduce total points more than once in any 18-month period.
- (8) *Authorized Drivers of Street Hail Liveries Licensed under other Chapters of these Rules.*

Any points accumulated under this Chapter by a For-Hire Driver or a Paratransit Driver while operating a Street Hail Livery will count towards and be applied to the Driver's For-Hire Driver's License or Paratransit Driver's License as specified in

- (i) Section 55-27(a) of these Rules if the Driver is a For-Hire Driver and
- (ii) Section 56-13(b) of these Rules if the Driver is a Paratransit Driver,

and the Driver may incur the penalties specified as a result.

(b) *Program for Persistent Violators of Taxicab Drivers' Rules ("Points" in this Section refers to points assessed by the Commission; these points are included in the penalties for specific violations of rules in this Section).*

(1) *Suspension and Revocation – Points and Time Periods.*

- (i) Any Driver who has accumulated six or more Commission-issued points but fewer than ten points against his or her Taxicab Driver's License within a 15-month period and whose License has not been revoked will have his or her License suspended for up to 30 days.
- (ii) The Commission will revoke the License of any Driver who has accumulated ten or more points against his or her Taxicab Driver's License within a 15-month period.
- (iii) Any Driver whose License has not been revoked and who has within a 15-month period accumulated against his or her Taxicab Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling six to nine points, counting from the date of conviction, will have his or her Taxicab Driver's License suspended for up to 30 days. For purposes of this subparagraph and subparagraph (iv) of this paragraph, "designated Persistent Violator points" shall be points assessed against the Driver's Taxicab Driver's License for violations that threaten the safety of passengers or any other persons, and shall be all violations listed in Sections 54-13 and 54-14 of these rules.
- (iv) The Commission will revoke the Taxicab Driver's License of any Driver who has within a 15-month period accumulated against his or her Taxicab Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling ten or more points, counting from the date of conviction.

- (2) *Multiple Violations from a Single Incident.* For a Driver who has been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for purposes of this section.
- (3) *More Severe Penalties at Discretion of Commission.* The Commission can impose more severe or additional penalties to any penalties stated in this section.
- (4) *Hearing Process and Imposition of Penalties.*
 - (i) The Commission will impose penalties described in this section following the hearing at which the Driver is found to have violated the rule(s) triggering these penalties.
 - (ii) Persistent violator penalties will be in addition to those penalties specifically listed in the Rules.
- (5) *Point Reduction for Voluntary Course Completion.*
 - (i) Before suspending or revoking a Driver's License, the Commission will deduct three points from the total points of any Licensee who voluntarily attends and satisfactorily completes a Point Reduction Course.
 - (ii) In order for the Point Reduction Course to reduce the Driver's Persistent Violator Program points, the course must be satisfactorily completed prior to the adjudication of the Persistent Violator summons. The Driver must furnish the Commission with proof of when the course was taken and that the course was satisfactorily completed.
 - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
 - (iv) The Commission will not reduce total points more than once in any five year period.
 - (v) If no Point Reduction Course is available when the Driver seeks to enroll, the Driver may take a Defensive Driving Course. After the driver furnishes the Commission with proof that the course was satisfactorily completed, the TLC will deduct three points from either the number of points accrued under the Critical Driver Program, §54-27(a) or the Program for Persistent Violators §54-

27(b). The Driver will select the program from which the points will be deducted.

- (6) It will be an affirmative defense that the act that formed the basis for the violation was beyond the control and influence of the Taxicab Driver.
- (7) *Authorized Drivers of Street Hail Liveries Licensed under other Chapters of these Rules.*
 - (i) Any points accumulated under this Chapter by a For-Hire Driver while operating a Street Hail Livery will count towards and be applied to the Driver's For-Hire Driver's License as provided in Section 55-27(b) of these Rules, and the Driver may incur the penalties specified as a result).
 - (ii) Any points accumulated under this Chapter by a Paratransit Driver while operating a Street Hail Livery will count towards and be applied to the Driver's Paratransit Driver's License as provided in this subdivision as if the Paratransit Driver's License were a Taxicab Driver's License, and the Driver may incur the penalties specified as a result.
