Dear Dr. Young and Mr. Sweeney:

The NYSDOH Revised 2007 Filtration Avoidance Determination (FAD), Section 9, Administration, requires the City, in consultation with the New York City Office of Management and Budget, to make a presentation to NYSDOH/EPA and NYSDEC on the amount of money appropriated and spent for watershed protection programs and its adequacy to meet program objectives and FAD requirements by November 30, 2015. This meeting was held on November 24, 2015 in the conference room of the Catskill- Delaware UV Filtration Facility.

As always, if you have any questions about any aspect of the City's watershed protection efforts, please do not hesitate to contact me.

Sincerely,
