Re: Reuse of Existing Sewer Connection

Address: _____

Permit No. _____

I, _____, Licensed Master Plumber, hereby certify that I have examined the previously existing sewer connection for the property known as _____. I found this previously existing sewer connection to be in good working condition, without any cracks, sags, or other defects, and that it is suitable for reuse.

Plumber
License # _____
(Plumber's Seal)

Notary Public

I, _____, the owner of the property located at _____, hereby grant permission to _____ to reconnect my house sewer connection at or near the curb to the previously used sewer connection.

Property Owner

Notary Public

I, _____, Architect/Engineer for the property located at _____, have filed an SD 1&2 form which states that the previously existing sewer connection will be adequate for reuse.
