Community Request

- Mount Morris Park Community Improvement Association requested safety improvements
- Community letters and e-mails requesting safety improvements

Safety Issues

- Crashes on W 120th St due to turns from MMPW
- Wide roads induce speeding and unpredictable driver behavior
- Long or unmarked crosswalks
High speed turns contribute to crashes

Overly wide and underutilized road allows speeding and weaving
Double Turns

- Single turn
- Double turns
Long or Unmarked Crosswalks

Marcus Garvey Park

Unmarked Crosswalks

Long Crosswalks

Existing
Rapid Response Toolkit

- Pavement markings
- New signage
- Painted and/or textured surfaces
- Flexible delineators
- Granite blocks and/or planters
Sidewalk extensions with and without maintenance partners
Interim Solution

Single turn
Proposal

New crosswalks

Marcus Garvey Park
Organize MMPW to one lane & eliminate double turns
Proposal

New painted sidewalk extensions
Shorten crosswalks with painted sidewalk extensions
Proposal

Tighten turning angle at MMPW & W 120\textsuperscript{th} St
Proposed Improvements

Safety Improvements:
  • Add new crosswalks
  • Eliminate double turns and reduce Mt Morris Park West to one lane
  • Create new sidewalk extension space along Marcus Garvey Park
  • Add painted sidewalk extensions at all intersections around the Park
Thank You
