

# Ave S and E 32<sup>nd</sup> St Elbow Crossing

## Pedestrian Access Improvements

### Background

- CM Alan Maisel requested pedestrian safety improvements at the elbow intersection of Ave S and E 32<sup>nd</sup> St in Marine Park, BK
- Community complaints of speeding along Ave S

### Location

- Elbow shaped geometry
- Intersection at entrance to Cricket Field and protected bike path
- Mostly residential neighborhood
- Far from transit

### Improvements

- New high-visibility crosswalk on Ave S at E 32<sup>nd</sup> St
- Added stop-bar, stop-message and stop-sign to Ave S at E 32<sup>nd</sup> St
- Upgraded all area crosswalks to high-visibility

### Benefits

- Improves mobility and safety of pedestrians across Ave S
- Increases visibility of pedestrians for approaching vehicles
