Vanderbilt St and E 3rd St
Accessibility Improvements

Background
- Poor visibility of crossing pedestrians and fast right turns from uncontrolled E 3rd St onto Vanderbilt St
- Community request for stop sign on E 3rd St and pedestrian improvements at intersections of Vanderbilt St at E 3rd St/20th St and E 2nd St
- Speed bumps found feasible in 2015

Location
- Residential street
- Pre-K and afterschool program located at Vanderbilt St and E 3rd St

Improvements
- Enhanced Crossing at Vanderbilt St E 2nd St
- All-way Stop at Vanderbilt St and E 3rd St
- ADA pedestrian ramps

Benefits
- Clarifies traffic movements
- Formalizes pedestrian crossings
