Street Safety Improvements

New No Right Turn to Brooklyn Bridge

- Beginning June 21, 2021, no right turns from westbound Tillary Street to the Brooklyn Bridge for motor vehicles
- Drivers are advised to seek alternate routes to Manhattan

For additional information about this project, contact the NYC DOT Brooklyn Borough Commissioner’s Office at 646.892.1350 or visit our website: nyc.gov/dot

Alternate Routes for Vehicle Access to Manhattan Via Brooklyn & Manhattan Bridges

- Diversions are expected to move traffic to both bridges along Gold Street, Nassau Street, Jay Street, Sands Street and the Flatbush Avenue Extension.

- Drivers are encouraged to use alternate routes to Lower Manhattan and the FDR Drive, including the Manhattan Bridge or Hugh Carey Tunnel.
