Existing

St. Raymonds Cemetery

Waterbury Ave to Meyers St

Limited sight lines at road bend

Wide road encourages speeding around cemetery
Proposed

- Road diets installed by DOT have been shown to reduce speeding and vehicle crashes.

- Four to three lane conversion from Waterbury Ave to Meyers St (1/3rd of a mile).

- Road opens to 4 travel lanes after Waterbury.

- Road opens to 4 travel lanes after Bruckner.

- Wide parking lanes allow for flexibility for drivers and parking.
Four to three lane conversion from Waterbury Ave to Meyers St (1/3rd of a mile)
Existing
Whittemore Ave/Puritan Ave

Location of recent pedestrian fatality

St. Raymonds Cemetery
Proposed Whittemore Ave/Puritan Ave

Location of recent pedestrian fatality

St. Raymonds Cemetery

Shorter crosswalks
