

# Morningside Ave and 124<sup>th</sup> St

## Pedestrian Safety Enhancements

### Background

- Road diet implemented on Morningside Avenue between 116th St and 126th St in 2014
- Pedestrian fatality at Morningside and 124th St in Summer 2016

### Location

- Morningside Park and numerous playgrounds to the west
- Primarily residential including New York City Housing Authority Grant Senior Center with some commercial near W 125th St
- Numerous schools along the corridor including PS 36, PS 125 and PS 180
- A, B, C and D trains stop at W 125th St and St. Nicholas Ave, one block west of Morningside Ave

Proposed Configuration: Morningside Ave, Manhattan

### Improvements

- Install pedestrian safety island and enhanced crossing at Morningside Ave and 124th St

### Benefits

- Creates two part crossing to public housing walkways at 124th St
