M14A/D Transit Corridor, Lower East Side
Transit Improvements

NYC DOT will implement transit improvements along the Lower East Side’s M14A/D corridor:

- **Southbound:** Install curbside bus lanes on Ave. A from 5th St. to Houston St., on Ave. D from 6th St. to 4th St., and on Essex St. from Delancey St. to Broome St. Install offset bus lane on Essex St. from Stanton St. to Delancey St.

- **Northbound:** Install curbside bus lane on Jackson St. from Madison St. to Grand St. and on Ave D. from Houston St. to 9th St. Install offset bus lane on Columbia St. from Stanton St. to Houston St.

- Install turn bays on Essex St. at Houston St., Stanton St., Rivington St., and Grand St.

- Update curb regulations on select blocks to reduce double parking and maintain traffic flow

This project aims to:

- Build on the success of the 14th St. Busway

- Make the Lower East Side section of the 14A/D a reliable public transit option for 14,500 daily riders

Implementation begins in June 2022
