Community Request

- Mount Morris Park Community Improvement Association requested safety improvements
- Community letters and e-mails requesting safety improvements

Safety Issues

- Crashes on W 120th St due to turns from MMPW
- Wide roads induce speeding and unpredictable driver behavior
- Long or unmarked crosswalks
High speed turns contribute to crashes

Existing

Overly wide and underutilized road allows speeding and weaving
Double Turns

Single turn

Double turns

Existing
Long or Unmarked Crosswalks

Unmarked Crosswalks

Long Crosswalks

Existing

Marcus Garvey Park
Rapid Response Toolkit

- Pavement markings
- New signage
- Painted and/or textured surfaces
- Flexible delineators
- Granite blocks and/or planters
Rapid Response Toolkit

Sidewalk extensions with and without maintenance partners
Interim Solution

Single turn
Proposal

New crosswalks

Marcus Garvey Park
Proposal

Organize MMPW to one lane & eliminate double turns
Proposal

New painted sidewalk extensions
Proposal

Shorten crosswalks with painted sidewalk extensions
Tighten turning angle at MMPW & W 120th St
Proposed Improvements

Safety Improvements:
- Add new crosswalks
- Eliminate double turns and reduce Mt Morris Park West to one lane
- Create new sidewalk extension space along Marcus Garvey Park
- Add painted sidewalk extensions at all intersections around the Park
Thank You
