

# Bronx Neighborhood Loading Zones

In Morris Heights along West and East Tremont Avenues  
Curb Space for short-term loading activities

## What We're Doing

As part of our continuing efforts to reduce double parking and improve safety and mobility in Morris Heights, the New York City Department of Transportation has created Neighborhood Loading Zones along West and East Tremont Avenues.

## Why We're Doing This

Provide curb space during daytime and evening hours to allow for activities such as:

- Package deliveries by commercial vehicles
- Taxi and car service pick-up and drop-off
- Active loading and unloading of personal vehicles

This program seeks to:

- Use No Parking regulation to reallocate curb space from 7 AM to 7 PM Monday to Friday
- Reduce the number of double parking incidents as well as other unwanted standing behaviors, creating a safer and more efficient environment for all road users
