What’s Happening Here?

- Shorten Pedestrian Crossings
- Slower, Safer Turns
- Improve Bus Speeds
- Update Curbside Regulations

Northern Boulevard, Broadway to 114th Street
Transit and Pedestrian Safety Improvements

NYC DOT will implement safety improvements on the Vision Zero Priority Corridor of Northern Boulevard between Broadway and 114th Street:

- Add painted curb extensions at select intersections
- Remove rush hour regulations that make curbside parking lanes into moving lanes; curbside lanes will be designated for parking and/or loading (always follow posted regulations)
- Consolidate stops on the Q66 bus route to improve bus travel time

Implementation starts in August
