

What's Happening Here?

Add Protected Bike Lanes

Shorten Pedestrian Crossings

Northern Boulevard and Broadway, 41st Avenue to 60th Street
Protected Bike Lanes

Create Safer, Slower Turns

Update Curb Regulations

NYC DOT will implement street safety improvements on Northern Boulevard and Broadway between 41st Avenue and 60th Street:

- Add barrier and delineator protected green bike lanes on Northern Boulevard
- Install hardened barriers on Northern Boulevard near Queens Plaza
- Convert temporary rush hour/parking lane to vehicular travel lane on Northern Boulevard
- Upgrade Broadway bike lane to a parking protected bike lane
- Build offset crossings with pedestrian safety islands on Broadway

Implementation will begin in Spring 2021

Existing:
Northern Blvd. at 47th St.

Proposed:
Central Park West, MN
