**Statement of Basis and Purpose of Proposed Rule**

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is seeking to amend are contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to its “Traffic Rules.”

At the request of the New York City Department of Health and Mental Hygiene, DOT is commencing rulemaking, as required by section 19-174 of the New York City Administrative Code. The purpose of this proposed rule is to establish horse carriage passenger boarding areas. The proposed rule designates specific locations for the horse carriage passenger boarding areas in Central Park. As of June 27, 2018, the Central Park Drives were permanently closed to unauthorized traffic. Limiting boarding of horse drawn cabs to these restricted areas within Central Park will reduce the amount of time that horses spend alongside vehicular traffic, thereby limiting horses’ interaction and potential conflict with vehicular traffic and thus promoting the safety and well-being of the horses.

Specifically, the amendments to the Traffic Rules being proposed are as follows:

- Section 4-01 amends the definition of “horse drawn vehicle” to use the same term (“horse drawn cab”) used in section 19-174 of the New York City Administrative Code.

- Section 4-09(d) is amended to reflect the change from “horse drawn vehicle” to “horse drawn cab.”

- Section 4-11(c)(7) is amended to reflect the change from “horse-drawn carriage” to “horse drawn cab.”

- Section 4-12(t) is a new subdivision that establishes specific locations for horse carriage passenger boarding areas.

New material is underlined.
Section 1. The definition of horse drawn vehicle in subdivision (b) of Section 4-01 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

Horse drawn [vehicle] cab. The term [“horse drawn vehicle”] “horse drawn cab” shall mean a vehicle drawn by a horse and used for the carriage of passengers for compensation in conformance with a New York City Department of Consumer Affairs license. Where signs limit parking to horse drawn [vehicles] cabs, only those [vehicles] cabs licensed by the New York City Department of Consumer Affairs will be permitted.

§ 2. Subdivision (d) of section 4-09 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(d) Lights on [horse-drawn vehicles] horse drawn cabs and pushcarts. No person shall drive a [horse-drawn vehicle] horse drawn cab or propel a pushcart in the roadway between sunset and sunrise unless such [vehicle] horse drawn cab or pushcart displays a white or yellow light visible from 200 feet directly in front and a red light visible from 200 feet directly to the rear.

§ 3. Paragraph (7) of subdivision (c) of section 4-11 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(7) Within [horse-drawn carriage] horse drawn cab passenger boarding areas.

§ 4. Section 4-12 of Chapter 4 of Title 34 of the Rules of the City of New York is amended by adding a new subdivision (t) to read as follows:

(t) Horse drawn cab passenger boarding areas.

(1) No person operating a horse drawn cab shall solicit, pick up or discharge passengers at any location other than a location described in paragraph (2) of this subdivision or a location designated by the department by a posted sign as a horse drawn cab passenger boarding area. This subdivision shall not apply to a horse drawn cab ride that is prearranged as described in sections 19-174 of the New York City Administrative Code.

(2) Except as otherwise indicated by a posted sign, operators of horse drawn cabs must expeditiously pick up or discharge passengers only at locations within Central Park indicated by sign and on the map below:

(i) Grand Army Plaza. In the center lane at the Grand Army Plaza entrance to Central Park.

(ii) East 72nd Street Entrance. On the north curb approximately 50 feet west of 5th Avenue.

(iii) West 72nd Street Entrance. On the east curb approximately 130 feet east of Central Park West.

(iv) West 67th Roundabout. On the north curb of the roundabout.

(v) Seventh Avenue Entrance. On the east curb, approximately 20 feet north of Central Park South.
(3) Temporary relocation or suspension of horse drawn cab passenger boarding areas in parks. In exceptional circumstances, the Commissioner of the Department of Parks and Recreation or the commissioner, subject to approval of the Commissioner of the Department of Parks and Recreation, may temporarily relocate or suspend horse drawn cab passenger boarding areas. For purposes of this paragraph, exceptional circumstances shall include, but not be limited to construction, maintenance, unusually heavy pedestrian or bicycle traffic, existence of any obstructions, a parade, demonstration, special event, or other such similar event or occurrence at or near such location.
