## NYC Biking Laws

<b>Exercise caution and yield to pedestrians</b> Tenga precaución y ceda el paso a los peatones	<b>Stop at all red lights and stop signs</b> Deténgase en las luces rojas del semáforo y en los señales de paro (STOP)	<b>Ride in the direction of traffic</b> Circule en el sentido del tránsito	<b>Stay off the sidewalk unless you're under 13</b> No use las aceras a menos que tenga menos de 13 años de edad	<b>Use a white head light and red taillight at night</b> Utilice una luz blanca y roja durante la noche	<b>Use a bell to signal presence</b> Utilice un timbre para indicar su presencia	<b>Do not wear more than one earphone while riding</b> No use más de un auricular mientras conduce	<b>Riders 16 or older may operate a Class 1 or 2 e-bike in NYC</b> Los ciclistas mayores de 16 años pueden operar un ciclomotor de clase 1 o 2 en Nueva York	<b>E-bikes and e-scooters (not mopeds) are allowed on the same lanes and on any city street with a speed limit no greater than 30 MPH.</b> Los ciclomotores y los patinetes eléctricos (no los ciclomotores) están permitidos en las carriles para bicicletas y en cualquier calle de la ciudad a una velocidad de hasta 30 MPH.	<b>Helmets are required by law for anyone under 18 for any bicycle, under 18 on an e-bike that can't go faster than 20 MPH.</b> Los cascos son obligatorios por ley para los menores de 18 años en bicicletas o patinetes eléctricos, y para los ciclistas de todas las edades en bicicletas eléctricas que pueden ir a más de 20 MPH.	<b>Apply your brakes early at intersections</b> Aplique los frenos con anticipación en las intersecciones	<b>A safe speed is under 20MPH</b> Una velocidad segura es menor de 20 MPH	<b>Use approved batteries and chargers. Only use devices that have a reputable listing agency mark such as UL. Use the charger that was made specifically for your device.</b> Utilice baterías y cargadores aprobados. Solo use dispositivos que tengan una marca de una agencia de certificación reputada, como UL. Use el cargador que fue diseñado específicamente para su dispositivo.

## E-bikes

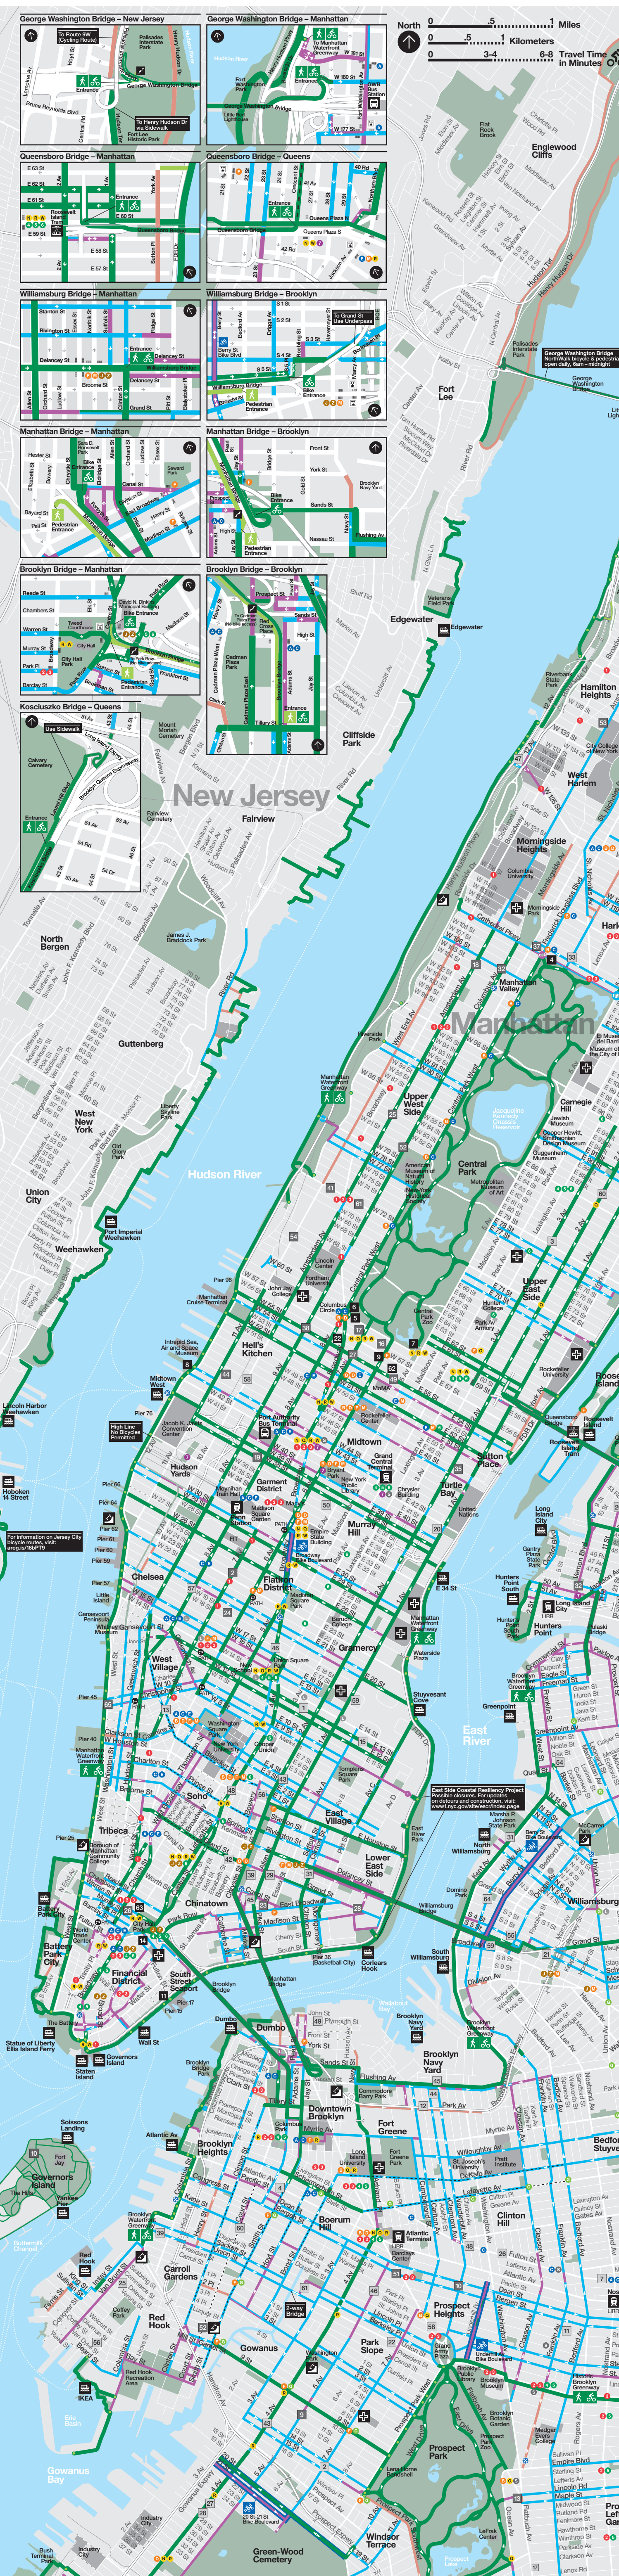

**Class 1 and Class 2 e-bikes**  
Ciclomotores de Clase 1 y Clase 2

**Class 3 e-bikes**  
Ciclomotores de Clase 3

**Class 4 e-bikes**  
Ciclomotores de Clase 4

## Safety Tips

<b>If you can't see the driver, they can't see you</b> Use extra caution when passing trucks, buses, or approaching an intersection from a vehicle's blind spot.	<b>Be sure to be seen when stopped</b> En las semaforos en rojo, déjese ver en un punto adelante de los vehículos para evitar el punto ciego del conductor.	<b>Go with the walk</b> Unless there is a bike signal or sign, cross the intersection with the pedestrian signal.	<b>What to know before you e-bike.</b> For more information visit <a href="http://nyc.gov/bikes">nyc.gov/bikes</a>

### Bike Share & Shared E-Scooters

Bike share and shared e-scooters provide convenient solutions for quick trips around New York City. Citi Bike, NYC's bike share, offers thousands of bikes at hundreds of stations in Manhattan, Queens, Brooklyn, and the Bronx. Members can unlock a bike at any station, ride, and return it to any station. Bird, Lime, and Veo offer publicly accessible shared e-scooters that users can find and unlock using a smartphone app.

Visit our website or the company apps to learn more about membership options, discounted programs, and service areas. Discount memberships are available for NYCHA residents and SNAP recipients.

### Navigating Intersections

**Large Vehicle Blindspots**  
Use extra caution when passing trucks, buses, or approaching an intersection from a vehicle's blind spot.

**Offset Crossing**  
When approaching an intersection, check for vehicles in the blind spot of the car.

**Don't No**  
Do not pass a stopped vehicle in a lane with a red light.

**Go with the walk**  
Unless there is a bike signal or sign, cross the intersection with the pedestrian signal.
