

What's Happening Here?

Organize & Calm Traffic

Install Two-Way Protected Bike Lane

Southern Blvd., E Fordham Rd. to E 182nd St. Bicycle and Pedestrian Safety Improvements

Increase Safety

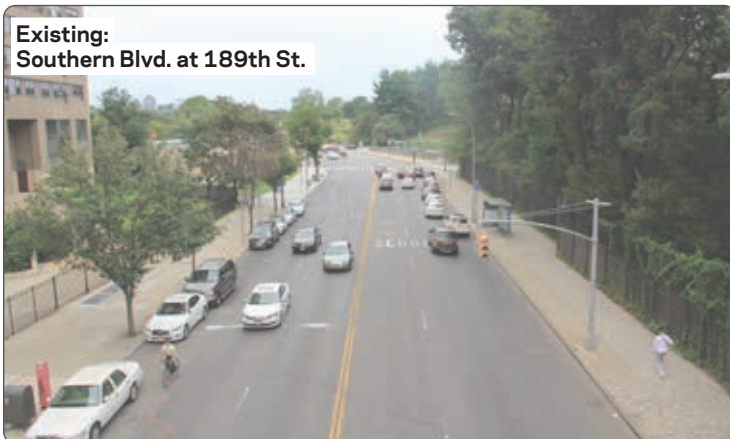

Improve Access to Mosholu Greenway

NYC DOT will implement bicycle and pedestrian safety improvements on Southern Blvd. between E Fordham Rd. and E 182nd St.:

- Install curbside two-way protected bike lane between E Fordham Rd. and E 182nd St.:
 - Delineator protected during peak hours, 7am-7pm (four vehicle lanes maintained)
 - Parking protected during off-peak hours, 7pm-7am (two southbound lanes, and one northbound lane during off peak hours)
- Add painted pedestrian curb extensions at E Fordham Rd., Crotona Pkwy, and E 182nd St.
- Install three bus boarders along Southern Blvd.

Implementation starts in April

Existing:
Southern Blvd. at 189th St.

Proposed:
Vernon Blvd. at 43rd Rd., QN
