NYC DOT will implement safety and accessibility improvements on White Plains Rd. at Magenta St., E. 215th St., and E. 222nd St.:

- Construct concrete bus boarding islands for the Bx39 at Magenta St., E. 215th St., and E. 222nd St. to improve accessibility and provide a level boarding for bus passengers
- Upgrade existing pedestrian ramps to ADA-compliance

Implementation begins September 2021
