New EAP Staff Designation form for EAP Director & Deputy

The EAP on-site exam has been available for over one year and many Fire Safety Directors (FSD) have received their F59 (EAP director) certificate of fitness. The new EAP Staff Designation form must be used to report the correct Certificates of Fitness numbers held by the FS/EAP Director and Deputy(s). Be sure to use this form when amending your Emergency Action Plan.

The new EAP Staff Designation form and a cache of other informative and helpful tools are available on the web:
