Special Public Hearings

The Landmarks Preservation Commission will hold a public hearing on the backlog of buildings in the Borough of Staten Island on **October 22, 2015** and encourages interested parties to submit written testimony in advance of that hearing. Each speaker will be given three minutes total to speak, and in that time may address all of the items within Staten Island Group 3, just particular items, or add comments to support written testimony. In order to conduct efficient hearings, we ask speakers to register in advance, and submit their written statements and materials that will be read at the hearing by **October 15, 2015** to backlog95@lpc.nyc.gov.

If you have questions about this property or the hearing process please contact backlog95@lpc.nyc.gov or call (212) 669-7817. If you would like more information about this property, please see the research file summary (over) and go to our website (<http://www.nyc.gov/html/lpc/html/backlog95>) and click on the link for this building's research file.
