See below for the section of Title 6 of the Rules of the City of New York, which explains Community Board action:

§2-44 Action by the Department on Petition. (a) When a petitioner agrees to revise a petition or plan to resolve objections raised by the Community Board, any such agreed revisions, along with new blueprints showing the revised plan, must be submitted by the petitioner to the Department in writing, and signed by both the applicant and the chairperson of the Community Board, not later than five (5) days before the Department is required to hold its public hearing on the petition. Such agreed revisions shall be incorporated into, and be deemed to modify, the original petition in accordance with its terms. The Department shall then hold its public hearing based on the petition as so modified. If such written agreements to modify an original petition to address objections raised are not received within the time specified, the Department shall hold its public hearing based on the original petition and the objections to it that have been raised.
