We are including the following questions to be able to prepare stipulations and have the meeting be faster and more efficient. Please answer per your business plan; do not plan to negotiate at the meeting.

1. I will operate a full-service restaurant, specifically a (type of restaurant) Noodle Restaurant
_____, with a kitchen open and serving food during all hours of operation OR I have less than full-service kitchen but will serve food all hours of operation.
2. I will close any front or rear façade doors and windows at 10:00 P.M. every night or when amplified sound is playing, including but not limited to DJs, live music and live nonmusical performances.
3. I will not have DJs, live music, promoted events, any event at which a cover fee is charged, scheduled performances, more than ___ DJs / promoted events per ___, more than ___ private parties per _____.
4. I will play ambient recorded background music only.
5. I will not apply for an alteration to the method of operation or for any physical alterations of any nature without first coming before CB 3.
6. I will not seek a change in class to a full on-premise liquor license without first obtaining approval from CB 3. *W/A*
7. I will not participate in pub crawls or have party buses come to my establishment.
8. I will not have a happy hour or drink specials with or without time restrictions OR I will have happy hour and it will end by _____.
9. I will not have wait lines outside. I will have a staff person responsible for ensuring no loitering, noise or crowds outside.
10. Residents may contact the manager/owner at the number below. Any complaints will be addressed immediately. I will revisit the above-stated method of operation if necessary in order to minimize my establishment's impact on my neighbors.

Plan to Manage Crowds and Traffic:

We will use the NoWait Hosting Management App - It gives guests a way to see how long the wait for a table is in real-time and put their names on the waitlist before they've actually arrived.

The restaurant's staff will notify the parties that their tables are ready This will decrease wait times, idling and crowding on the sidewalk.

It also allows waiting for guests to explore the neighborhood while their spot in the queue is virtually held.

Noise Management:

This is a restaurant with no live music and only background music.

At this point we do not plan to install soundproof materials unless there are complaints about noise.
