

Applying for Street Co-Naming

If you would like to apply for a street co-naming on your block, you must contact the Manhattan Community Board 4 Office. These applications are heard at the Transportation Planning Committee Meetings, which typically occur on the third Wednesday of every month. Our [online calendar](#) has the most up to date information on upcoming meetings.

For the meeting, you will need:

1. Verifiable historical documentation of the prospective honoree's contribution(s)/connection(s) to the community
2. A succinct yet detailed outline indicating why the prospective honoree(s) should be honored with a street co-naming
- *3. Complete and submit the Street Co-Naming Application along with additional supplemental documents listed in the application
- *4. Reach out to the Block/Tenant Associations, Residential Buildings and other organizations in the surrounding area.
5. Written support from local businesses and residences (petition or letters of support)
- *6. Post meeting announcement to light posts (City property) in the surrounding area at least 1 week before the meeting so the community is aware of your street co-naming request

These materials must be submitted via email to jpretente@cb.nyc.gov at least 2 weeks prior to the meeting you would like to attend.
