

To NYC Restaurant Owner:

**DO YOU WANT TO BRING IN MORE CUSTOMERS
AND INCREASE YOUR PROFITS?**

If your answer to this question is **“YES”**,
then see the **REVERSE SIDE** for details.

DO YOU WANT TO BRING IN MORE CUSTOMERS AND INCREASE YOUR PROFITS?

If your restaurant is wheelchair-friendly, the New York City Mayor's Office for People with Disabilities is proud to announce its Restaurant Access Promotion (RAP) program. RAP provides a restaurant with the opportunity to advertise its "Wheelchair-Friendly" components. All you need to do is complete a "RAP Survey", which can be done [online](#) or by calling 311. If your restaurant qualifies, you will be sent a RAP decal that you may post in your restaurant's window to promote its being "Wheelchair-Friendly". The Mayor's Office for People with Disabilities will also promote your restaurant as being "Wheelchair-Friendly". It's as simple as that.

Please note that this survey is optional and voluntary. You are not required to complete this survey to renew your license. We want to provide you with a way to tap into a customer base comprised of people with disabilities who are often overlooked and may not be aware that they can be accommodated at many of New York City's fine restaurants.

For more information, go to <http://on.nyc.gov/rwfd> or www.nyc.gov/mopd/rap or call 311.
