Request for a Pension Valuation in a Matrimonial Action

Demographics:

First Name: _____ Last Name: _____

Tax No.: _____ Contact Number: _____

Instructions:

This form is for ALL MEMBERS

- Use this form to request a pension valuation in conjunction with an action for divorce.
- A pension valuation provides what your benefit would have been as of a certain date. It is NOT an estimate of what your former spouse may receive from your retirement benefit.
- A pension valuation does NOT provide a "service portion" of a disability benefit. Rather, if you are retired for a disability, a pension valuation will state what your benefit would have been if you retired for Service or Vested Retirement instead.
- Only one pension valuation will be provided per matrimonial proceeding. Please make sure you provide a correct asset cutoff/valuation date because multiple requests will not be processed.
- Please allow 6-8 weeks for your request to be completed.

Estimate Request:

Please use an asset cutoff / valuation date of _____ to provide me with a hypothetical service or vested retirement calculation based on such date.

I understand that the New York City Police Pension Fund is prohibited from providing me with tax, legal, or financial advice and that any response to this request is not an estimate of what my former spouse may receive.
