The New York City Taxi and Limousine Commission (TLC) wishes to notify all users of the two licensee information conduits currently in operation that the now-obsolete "Licensee Link" internet application will be discontinued as of March 31, 2011. For-Hire Vehicle (FHV) base station operators will be able to access all necessary licensee information 24/7 through the Current Licensee lists on the TLC web site, which are refreshed for accuracy Monday through Friday at 3 p.m.

Current Licensee data is available via Excel spreadsheets, allowing base operators the user-friendly ability to structure unique searches and create company-specific lists.

The link to the Current Licensee lists on our web site is as follows:

If you have any questions about the lists, please contact the TLC at 212-227-6324 Monday to Friday from 9 a.m. to 5 p.m.
