On December 13, 2012, the Taxi and Limousine Commission (TLC) passed rules to continue the Taxi Passenger Enhancement Program (TPEP) following the expiration of the current contracts with CMT and VeriFone.

These new TPEP rules ([Chapter 75](#)) will permit any entity which meets the TLC's requirements to become an Authorized TPEP Provider.

The current TPEP contracts with CMT and VeriFone have been extended and now expire on **March 1, 2013 at 11:59PM.**

On **March 2, 2013** TLC will publish through Industry Notice and on its website a list of Authorized TPEP Providers. Sign up for our [Listserv](#) notification service to be notified when the first TPEP Provider has been authorized.

By **April 30, 2013** every medallion owner **MUST** enter into a contract with a TLC Authorized TPEP Provider and have TPEP equipment installed that complies with Chapter 75 of the TLC rules.

Between **March 2, 2013 and April 30, 2013** medallion owners can either:

1. Continue to obtain TPEP services from CMT or VeriFone pursuant to their contracts or termination assistance services provided for in their contract; OR
2. Enter into a new contract with an Authorized TPEP Provider.
