On December 13, 2012, the Taxi and Limousine Commission (TLC) passed rules to continue the Taxi Passenger Enhancement Program (TPEP) following the expiration of the current contracts with CMT and VeriFone.

Originally, the current TPEP contracts with CMT and VeriFone were set to expire on February 15, 2013. These contracts have been extended to **March 22, 2013 at 11:59PM**

On **March 23, 2013** TLC will publish through Industry Notice and on its website a list of Authorized TPEP Providers. Sign up for our [Listserv](#) notification service to be notified when the first TPEP Provider has been authorized.

By **May 21, 2013** every medallion owner **MUST** enter into a contract with a TLC Authorized TPEP Provider and have TPEP equipment installed that complies with Chapter 75 of the TLC rules.

Between **March 23, 2013 and May 21, 2013** medallion owners can either:

1. Continue to obtain TPEP services from CMT or VeriFone pursuant to their contracts or termination assistance services provided for in their contract; OR
2. Enter into a new contract with an Authorized TPEP Provider.
