

## **E-HAIL PILOT UPDATE**

-----

**UBER is the only approved E-Hail Pilot Program Participant.**  
**HAILO has not been approved for participation in the E-Hail**  
**Pilot Program.**

The New York City Taxi and Limousine Commission (TLC) reminds medallion taxicab drivers and owners that only **Uber Technologies, Inc.** has been authorized to provide electronic hailing services through a smartphone application in New York City taxicabs. **Hailo Network USA, Inc.** has NOT been authorized to either provide or “beta test” these services.

Use of the Hailo app (or any e-hail application aside from that currently approved by the TLC) may result in a driver summons. A current list of ALL approved e-hail pilot participants can be found here: [http://www.nyc.gov/html/tlc/html/industry/current\\_licensees.shtml](http://www.nyc.gov/html/tlc/html/industry/current_licensees.shtml).
