TLC ANNOUNCES OFFICIAL TAXICAB VEHICLE RULES EFFECTIVE 9/1/15

The New York City Taxi and Limousine Commission (TLC) wishes to inform all Medallion and Taxicab vehicle owners that the Official Taxicab Vehicle Rules will take effect September 1, 2015.

For Taxicab vehicles placed into service on or after September 1, 2015, the following requirements apply:

- **Unrestricted Medallions** may *only* be hacked-up with a Nissan NV200 (also known as the *Taxi of Tomorrow*), an alternative fuel taxicab vehicle approved for use by the TLC, or an accessible Nissan NV200;
- **Alternative Fuel Medallions** may only be hacked-up with an alternative fuel taxicab vehicle approved for use by the TLC; and
- **Accessible Medallions** may only be hacked-up with an accessible taxicab vehicle approved for use by the TLC.

Please note: Owners wishing to hack-up a vehicle that does not comply with the Official Taxicab Vehicle Rules must receive a vehicle certification letter from TLC's Licensing Unit no later than 8/31/15.

The list of [approved Taxicab vehicles](#) can be found on the TLC website.
