NEW TLC DRIVER LICENSE ALLOWS ITS HOLDERS TO OPERATE TAXI AND FOR-HIRE VEHICLES (FHVs)

The TLC will soon begin to issue a single license for both taxi and for-hire vehicle drivers. All current taxi and for-hire vehicle (FHV) drivers' licenses will convert to this new, combined license, and there is no need to obtain a new license card until renewal.

Current Licensees

If you have one of the license cards pictured below, you can operate yellow taxis, for-hire vehicles, and green taxis (street hail livery) until your license expires.

When you renew your license, you will receive a new TLC Driver License card. Drivers who want a new license card before their renewal can request one online here:

New Applicants

New applicants who want to operate yellow taxis, for-hire vehicles, and/or green taxis will receive the new TLC Driver License once they are approved.
